NATION WILL RISE AGAINST NATION. Ethos will rise up against Ethnos. Meaning: Relationship will rise up against Relationship.

*“For nation shall rise
against nation,
and kingdom against
kingdom...”*

— Matthew 24:7, KJV
See also Mark 13:8
and Luke 21:10.

And beneath the conflicts of nations, cultures, families, churches, and communities, we must also examine what happens when relationship rises against relationship.

For deep inside their heart is their A.R.T. — the need for relationship: to belong, to love, to be known, to be respected, and to live truthfully with others.

When pride, fear, accusation, control, or selfish ambition takes over, the very relationships meant to nurture human life can become places of conflict and division.

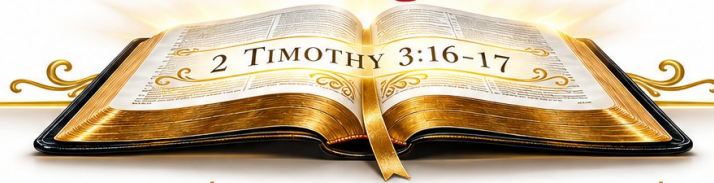

Let revival reach the relationships!

— Sister Taveau D’Arcy

An Apostolic-Prophetic Relationship Perspective

Both feet on the ground,
One eye open to **respect others**
and relationships.

Putting it to the test of **ordinary real life.**
If not in align with God's Holy Word,
it's accusing or false.
